SUBJECT: DEMARCHE ON "DEFAMATION OF RELIGIONS"

REF: STATE 122639; STATE 109397

1. (SBU) On December 1, Poloff met with Deputy Director of Foreign Policy Nelson Amaya, Director of Middle East Affairs Milton MagaCla, and Director of Bilateral Relations Wendy Acevedo at the Ministry of Foreign Affairs to discuss talking points and to provide supplementary documents referenced in Ref A.

2. (SBU) Amaya said that El Salvador has voted in favor of these resolutions in the past but that the new government may take a different approach. Amaya said he would pass the matter to Deputy Director General of Multilateral Affairs Ana Gloria Paredes and Director of International Organizations Felix Ulloa, who will inform us of their decision after they consult with their superiors. We will report to Washington when we know the GOES position.
